COME TO SIDE EVENT #32:

Applying the Voluntary Guidelines on the Governance of Tenure (VGGT) in responsible agribusiness investment and land governance: Learning from LEGEND and other responsible investment pilots.

Wednesday 11 October
8:30 – 10:00am
Lebanon Room,
FAO Headquarters, Rome

Speakers from: DFID LEGEND Team; Illovo Sugar, Malawi; Terra Firma, Mozambique; USAID; Oxfam CFS Private Sector Mechanism (PSM) and Civil Society Mechanism (CSM). Closing keynote: Lorenzo Cotula, IIED.

Open space for contributions: Tell us about your initiative!

Coffee, tea and breakfast snacks available.

DFID’s LEGEND programme is promoting learning and innovation through 7 CSO–private sector partnerships in diverse agri-regions in 5 African countries; USAID and others are supporting similar initiatives. This side event will share and discuss early insights from these pilots and explore what can be achieved through these approaches:

- The type of investments and the challenges they face at project sites and along supply chain.
- Case studies from Malawi, Mozambique and Ghana: early lessons emerging.
- New tools and approaches being developed.
- How civil society and private business can work together and what Governments can do.
- Opportunities to broaden learning and scale up success.
