In this session...

We will explore the connection between protection in humanitarian programming and long-term solutions

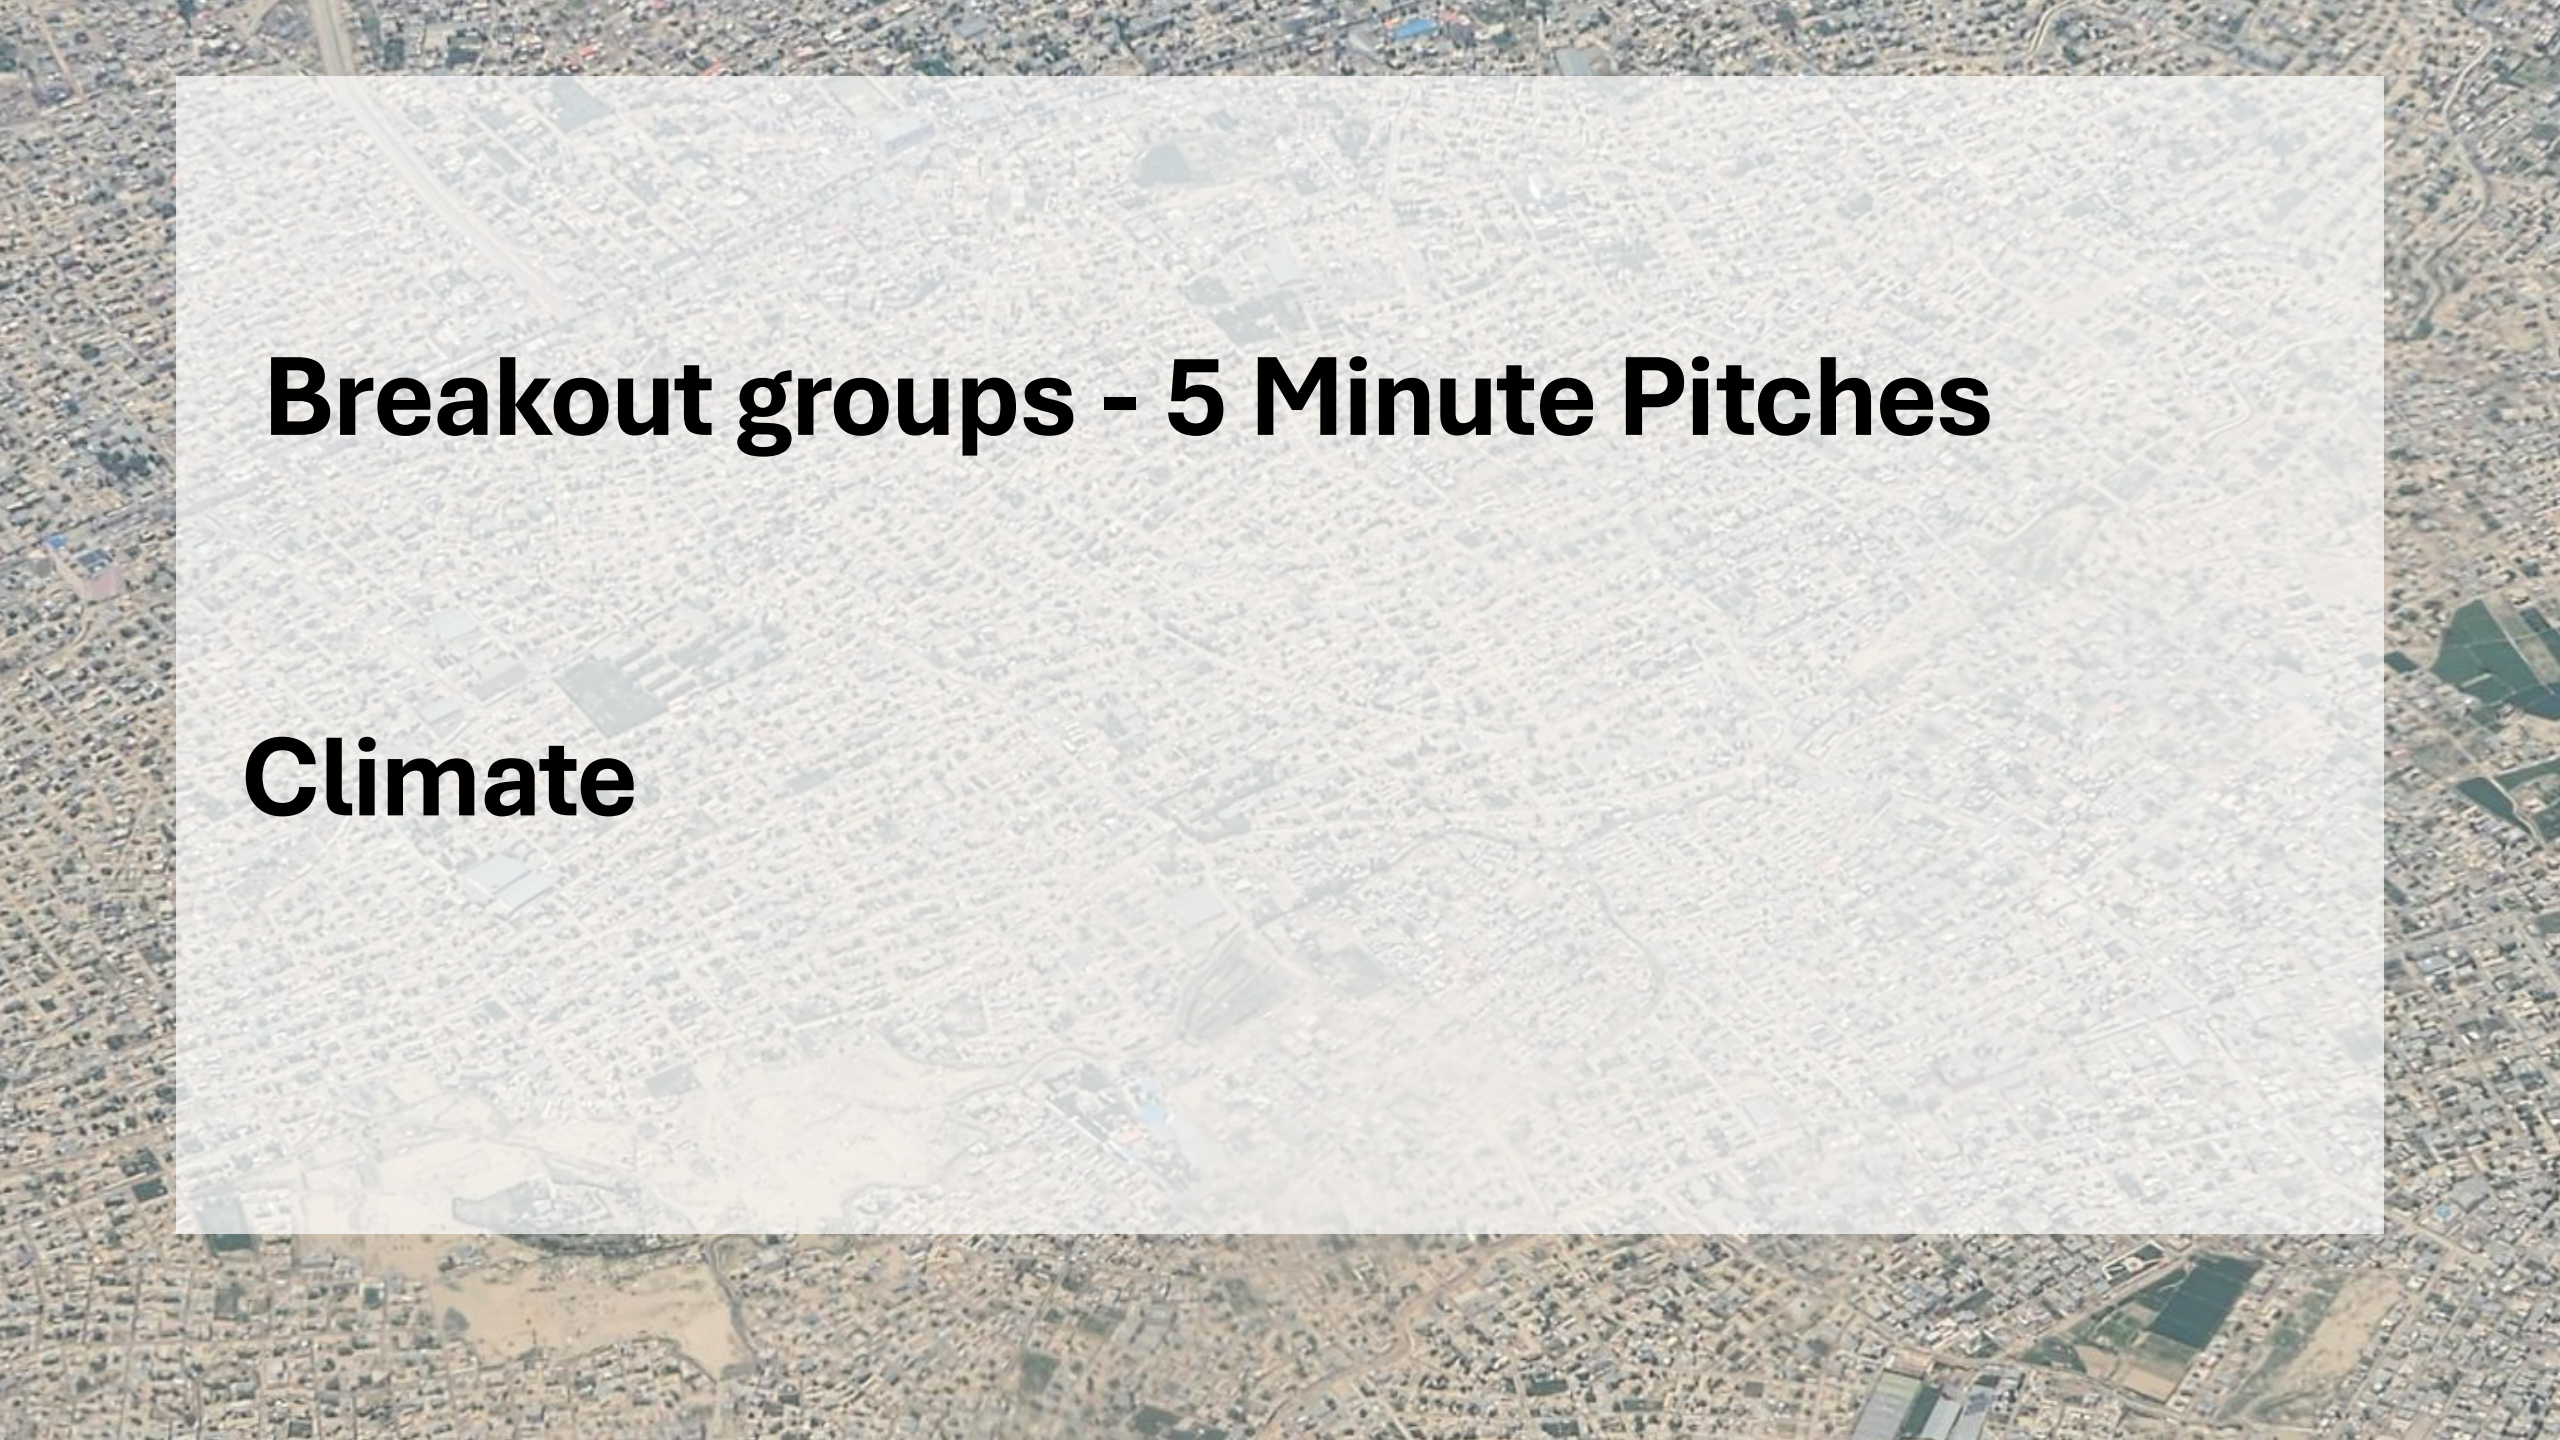

- Revisit why HLP is central in displacement and humanitarian responses
- Present the key HLP protection issues from emergency to solutions
- Consider responses beyond humanitarian

....And discuss realities from the ground

Gaza: challenges for the protection and shelter sector

Somalia: what are the effects of NOT responding to forced evictions on the effectiveness of the response

Colombia: what are the protection obstacles (legal or otherwise) that stand in the way to solutions

An aerial photograph of a city grid, showing a dense network of streets and buildings. A semi-transparent white rectangular overlay is positioned in the upper half of the image, containing the main title and subtitle. The text is in a bold, black, sans-serif font.
