**DISPONE****Art. 1 Object  
of the selection**

A public selection is announced, based on qualifications and interview, for the award of no. **1 POST-DOCTORAL ASSIGNMENT** for the performance of research activities inherent to the Scientific Area "Earth Sciences" to be carried out at the Institute of Methodologies for Environmental Analysis of the CNR carrying out research within the **COOL Project - "System for the Consolidation of L2 products of the PRISMA-SG mission" - Implementing Agreement no. 2023-18-HH.0 of Framework Agreement No. 2018-6-Q.0 - CUP F23C23000160005**, for: **"Participation in the activities foreseen in the research project COOL - System for the COnsOLIDation of L2 products of the PRISMA-SG mission"** - The research will focus on the consolidation of L2 products (reflectance), of PRISMA-SG through the refinement of techniques for atmospheric correction and the development of verification/validation processes, as well as through the collection of ground data at sites of interest in Sardinia and other national and international sites. Application and development of techniques for remote data simulation and model inversion for data correction, including through the use of artificial intelligence learning analytical models and techniques. Sensitivity studies and development of remote datum validation criteria, under the scientific responsibility of **Dr. Federico Santini**.

**Art. 2  
Duration and amount of the check**

The research grant will be for a period of **12 months** (twelve) and may be subject to extension or renewal in accordance with the regulations in force at the time.

The total duration of the relationships established with the holder of the allowance and of the subordinate fixed-term employment contracts referred to in art. 24 of L. 240/2010, occurring also with different Universities, state, non-state or telematic, as well as with the Institutions referred to in art. 22, paragraph 1, of L. 240/2010, cannot in any case exceed 12 years, even non-continuous, without prejudice to periods spent on maternity leave or leave for health reasons in accordance with the regulations in force as well as periods carried out prior to the entry into force of L. 240/2010.

Any postponement of the start date of the activity envisaged within the framework of the grant for the performance of research activities, or any interruption of such activity, will be allowed in the event of maternity or illness exceeding thirty days. The interruption of the activity envisaged within the framework of the award of the research grant that is justified in accordance with the above provisions shall result in the suspension of the disbursement of the amount of the grant for the period in which the interruption occurs, except as provided for in Article 13 of the regulations or other specific rules on the subject. The final deadline for the expiration of the check for the performance of research activities shall be postponed by a time frame equal to the period of the duration of the interruption.

The amount of the research grant, paid in monthly instalments in arrears, is set at **€22,000.00** (eurotwenty-two thousand/00) net of charges to be borne by the CNR. The amount of the allowance may be waived for the type of research grant and for allowances activated on research or research training programs, financed or co-financed by National and International Entities, whose specific

regulations provide for the determination of the amount to be paid in a mandatory manner.

The amount does not include any remuneration for missions in Italy or abroad that may be necessary for the performance of activities related to the research grant. The mission allowance is determined to the extent corresponding to that payable to employees of the NRC classified at professional level III.

The fellow is covered by a cumulative accident policy underwritten by the NRC.

The contractor shall carry out the activity in an autonomous condition, within the limits of the program prepared by the research manager, without predetermined working hours.

### Art. 3

#### Requirements for admission to selection

Individuals, regardless of citizenship and age, who meet the following requirements on the date of the application deadline may participate in the selection:

- a) **Bachelor's degree** (DM 39/1998 - Old System) in **Physics**, and/or **Computer Science**, and/or **Mathematics**, and/or **Aerospace Engineering**, and/or **Engineering for the Environment and the Territory**, and/or **Environmental Sciences**, and/or **Natural Sciences**, and/or **Geological Sciences**, or of the **Master's/Master's degree** in **Physics (LS 20 - LM 17)**, and/or **Mathematical-Physical Modeling for Engineering (LS 50 - LM 44)**, and/or **Computer Engineering (LS 35 - LM 32)**, and/or **Mathematics (LS 45 - LM 40)**, and/or **Mathematical-Physical Modeling for Engineering (LS 50 - LM 44)**, and/or **Aerospace and Astronautical Engineering (LS 25 - LM 20)**, and/or **Telecommunications Engineering (LS 30 - LM 27)**, and/or **Mechanical Engineering (LS 36 - LM 33)**, and/or **Environmental and Land Use Engineering (LS 38 - LM 35)**, and/or **Nature Sciences (LS 68 - LM 60)**, and/or **Geological Sciences and Technologies (LS 86 - LM 74)**, and/or **Geophysical Sciences (LS 85 - LM 79)**, and PhD degree of at least three years' duration on environmental topics preferably conducted using hyperspectral data acquired by remote sensing techniques to derive soil and/or vegetation biophysical parameters.

All titles obtained abroad (degree, doctorate and any other titles) must, as a rule, be previously recognized in Italy according to the relevant legislation in force (information on the website of the Ministry of University and Scientific Research: [www.miur.it](http://www.miur.it)). The equivalence of the aforementioned titles obtained abroad that have not already been recognized in Italy with the aforementioned formal procedure, will be evaluated, solely for the purpose of the candidate's admission to this selection, by the selection board constituted in accordance with art. 6, paragraph 1 of the Specifications;

- b) experience in the area of the topic in Article 1 declared in the manner set forth in Article 4; It will also be evaluated:
- Knowledge of programming languages and platforms, such as Python, Matlab, IDL, Fortran, C, C++;
  - The experience gained in environmental remote sensing;
  - Knowledge of techniques for correcting atmospheric data using radiative transfer codes (e.g., Modtran, S6);
  - Experience in using the most common GIS platforms;
  - Experience in data processing, analysis and optimization;
  - Experience in big data analysis and interpretation;
  - Experience in the use of machine learning and artificial intelligence techniques;
- c) Good knowledge of the English language;

d) Knowledge of the Italian language (only for foreign applicants).

### Applications for admission and how to submit

#### APPLICATIONS FOR ADMISSION

The application, prepared exclusively using the form (Annex A), should be sent to the Institute of Methodologies for Environmental Analysis of the National Research Council (CNR-IMAA), exclusively by Certified Electronic Mail (CEM) to: [protocollo.imaa@pec.cnr.it](mailto:protocollo.imaa@pec.cnr.it) by **13/05/2024**.

If the deadline for submission of applications falls on a holiday, that deadline shall be deemed extended to the first non-holiday immediately following. Applications submitted after the deadline and those that are incomplete will not be considered. The subject line of the email should include reference to the selection notice No. **CNR-IMAA 5/2024 PZ**.

Applications sent electronically and certifications in accordance with Presidential Decree 445/2000, will be considered valid if the author is identified by the computer system through the access credentials related to the personal Certified Electronic Mail account.

For foreign nationals, the submission of the application and the statements referred to in paragraph 5 below may be made by regular e-mail to the following address [tiziana.forlenza@cnr.it](mailto:tiziana.forlenza@cnr.it), where it is not possible to digitally sign the application, the foreign applicant will validate the application by handwritten signature before the interview.

An email confirming receipt of the application will be sent to the said applicants.

A curriculum vitae in the form of self-certification, filled out in accordance with Articles 46 and 47 of Presidential Decree 445/2000, as amended (All. B), must be attached to the application in PDF format, signed by the candidate bearing, before the handwritten signature, the express annotation about the awareness of the criminal sanctions in which the candidate incurs for false statements, accompanied by a copy of a valid identification document (art. 76 Presidential Decree 445/2000). This document in original, signed with a legible signature, must be presented for identification at the interview referred to in Article 7 below; no other document may be presented.

In the aforementioned curriculum vitae, the candidate will indicate states, facts and personal qualities, in particular, he/she must analytically indicate the studies completed, qualifications obtained, publications in print and/or patents, services rendered, functions performed, positions held and any other scientific, professional and teaching activities that may have been exercised, giving the exact references of each title indicated.

The above statement, must be drawn up in an analytical manner, and contain all the elements that make it usable for the purposes of selection, so that the examining board can usefully evaluate the qualifications to which they refer. All information provided in a manner that differs from the above procedures may not be evaluated.

The self-certifications provided for Italian citizens apply to citizens of the European Union. Non-EU citizens residing in Italy may use self-declarations limited to cases in which they are to prove states, facts and personal qualities certifiable or attestable by Italian public or private entities.

The Administration shall make appropriate checks on the truthfulness of the contents of the statements

Substitute in accordance with Article 71 of Presidential Decree 445/2000.

Disabled applicants, in relation to their disability, should make an explicit request for the necessary aid in their application for selection.

Works not available through the web (e.g., technical reports, monographs, book chapters, patents) or, those available through the web but with paid access, should be submitted by the candidate electronically.

**The candidate does not have to produce any additional documentation according to Art. 15 L. 183/2011.**

*Pursuant to Article 15 of Law 183/2011, it is forbidden to exhibit to public administrations and private managers of public services, certificates concerning states, facts and personal qualities, which are, therefore, always replaced by declarations in lieu of certification and affidavit or (Art. 46 and 47 Presidential Decree 445/2000).*

A form (All. C), concerning the information on the processing of personal data made pursuant to Regulation (EU) No. 2016/679, must be attached to the application in PDF format; this form must be completed, dated and signed by the applicant with a legible handwritten signature.

All communications pertaining to this competition will be sent to the candidates' PEC address; the NRC assumes no responsibility for any network connection failures.

#### **Article 5**

##### **Exclusion from selection**

Applicants are conditionally admitted to the selection.

Exclusion from the selection for lack of requirements may be ordered at any time by reasoned decision of the Director of the Institute. The person concerned will be notified of the exclusion.

#### **Art. 6**

##### **Examining Board**

The Selection Committee is appointed by order of the Director of the Institute concerned and is composed of three members, one of whom must be the head of research with the profile of researcher/technologist, internal or external to the Institution, with the profile of researchers as well as experts in the subject, and two alternate members, internal or external to the Institution; the Director, if he/she deems it necessary to activate the procedure of equivalence of titles obtained abroad as per the last paragraph of paragraph 1 art. 3 of the Specifications, may appoint a university professor from among the members. The functions of secretary may also be performed by a member of the Commission.

At its first meeting, the committee elects a chairperson from among its members, and determines, if necessary, the member who will serve as secretary.

The Commission may also conduct the proceedings electronically.

The Commission concludes its work within sixty days after the deadline for submission of applications, unless it is impossible to do so for justified reasons.

#### **Art. 7**

##### **Method of selection and ranking**

The Selection Committee shall make the selection through the evaluation of qualifications and an interview.

The committee has a total of 100 points, including 70 points for the evaluation of qualifications and 30 points for the interview.

The Commission shall preliminarily adopt the criteria and parameters it intends to follow, with specific reference to the characteristics of the research project. These criteria and parameters include the requirements for the type put up for competition such as possession of a university degree, PhD, specialization diplomas and certificates of attendance at postgraduate specialization courses, obtained in Italy and abroad, as well as the performance of 'research activity in research organizations and institutions, public or private, with contracts, scholarships or collaborative assignments, both in Italy and abroad declared in the manner set forth in Article 4.

Notice of the call for interview shall be sent to candidates, by PEC, at least twenty days before the date on which the interview is to be held. In the same convocation, an indication of the score given in the evaluation of qualifications will be provided.

The committee may conduct the interview remotely using audio/video computer media in accordance with operating procedures to be communicated by the NRC Institute/Facility, in any case designed to ensure publicity.

At the end of the session relating to the interview, the committee shall form a list of the candidates examined with an indication of the marks each one received in the interview itself, a list which, signed by the chairman and the secretary of the committee, shall be posted on the same day on the notice board of the examination venue. Candidates must present a valid personal identification document to be admitted to the interview. Candidates who fail to appear for the interview on the scheduled day will be declared disqualified from the selection.

Upon completion of the work, the committee prepares a report in which reasoned judgments, including in summary form, are made about each candidate.

The committee shall form the merit list according to the descending order of the final score obtained by each person based on the sum of the scores obtained in the evaluation of qualifications and interview and shall indicate the winner(s). In the case of equal scores, the youngest candidate is preferred.

The merit list will be approved by order of the Director of the Institute, and will be published, by the Director, by posting on the notice board of the examination site, on the CNR website: [www.urp.cnr.it](http://www.urp.cnr.it) and with the other forms of publicity provided for this selection notice.

All participants in the selection will be informed of the outcome of the selection by communication sent by PEC.

Inclusion of successful candidates in the ranking list is not permitted. However, the Director of the Institute, after consultation with the head of research, may replace one or more awardees, who give up the grant before taking advantage of it, according to the order of the merit list.

The National Research Council does not provide reimbursement for any expenses incurred by applicants in attending the interview.

## **Art. 8**

### **Formalization of the relationship and termination of the contract**

Within 15 days of the publication of the ranking list, the Director of the Institute concerned must send the winner(s) of the selection process, in duplicate, the order granting the research grant, which will indicate, among other things, the date of the start of the research activity. By the

peremptory term of 15 days from the date of receipt of the aforesaid notice, under penalty of forfeiture, the winner(s) of the selection must return a copy of the aforesaid deed of conferment, countersigned for acceptance together with a declaration that he/she is not in any of the hostile conditions referred to in art.3, paragraphs 3,4,5 and art. 4 c. 2,3 of the Specifications. Any delays in the start of the research activity may be justified only for the cases provided for in Article 2 of this selection notice or for duly substantiated force majeure.

For the purposes of awarding, the research grant cannot be combined with scholarships for any reason awarded by the CNR or other research bodies and institutions, except those granted by the CNR or national or foreign institutions useful for integrating the research activity of grant holders with stays abroad. Research grant holders may attend PhD courses that do not give rise to scholarship payments. Employees of the CNR with an open-ended or fixed-term contract, tenured staff in service at other entities referred to in Article 22, Paragraph 1, of the aforementioned Law No. 240/2010 cannot be holders of research grants.

Receipt of the research grant is not compatible with holding an employment relationship in the private sector and entails placement on unpaid leave for the contractor/employee serving in public administrations.

Pursuant to Article 22, Paragraph 3 of the above-mentioned law, holding the allowance is not compatible with participation in graduate, undergraduate or master's degree programs, doctorate with fellowship or medical specialization, in Italy or abroad.

The contractor must send the following documentation prepared in accordance with the provisions of Presidential Decree 445/2000 to the director of the Institute by PEC within thirty days from the date of acceptance of the check:

- a) Self-certification stating date and place of birth, citizenship, enjoyment of political rights, educational qualification;
- b) declaration in lieu of affidavit, on plain paper, that he/she has no other public employment relationships, has not been dismissed or discharged from employment with a Public Administration for persistent and insufficient performance, and has not been declared disqualified from another state employment, for having obtained employment through the production of false documents or documents vitiated by irremediable invalidity, as well as that he/she has not been disqualified from public office on the basis of a final judgment;
- c) Photocopy of tax ID card;
- d) In case the grantee is an employee of a Public Administration, he/she will have to submit a self-certification substitute statement regarding the placement on unpaid leave before starting the research activity.

Documents issued by the competent authorities of the state of which the alien is a citizen must comply with the provisions in force in that state.

An assignee who, after starting the planned activity, does not continue it without justified reason, regularly and uninterruptedly for the entire duration, or who is responsible for serious or repeated misconduct, or who, finally, gives evidence of not possessing sufficient aptitude, may be declared disqualified, by reasoned decision of the Director of the Institute, from further enjoyment of the allowance.

The measure referred to in the preceding paragraph will be taken upon the proposal of the Head of Research. In the event that the grantee, for unexpected personal reasons, cannot complete the planned activity and therefore renounces the grant in advance, he/she shall promptly notify the Director of the Institute and the Head of Research. It is understood, in such a case, that the grant holder must return any sums received and not due.

In the event that the funding ceases, the Director of the Institute reserves the right not to award or to revoke the check for justified reasons of the Scientific Officer or the Funding Entity. In the case of revocation, the Director will give notice of ..., subject to recognizing the recipient of the check, in the case of activities already in progress, the consideration in the amount due until the date of closure of the project.

#### **Art. 9**

#### **Evaluation of research activity**

The research manager and the grantee shall submit a documented report showing the progress of the research to the Director of the Institute before the expiration of the contract.

The Director will evaluate the report with reasoned and unquestionable judgment. In the event of a positive evaluation, and upon request of the head of research, the Director will make a decision on the renewal of the check and on the possible award of the next higher amount within the type of check referred to in this selection notice. (Art. 9 c. 5 of the Specification)

#### **Art. 10 Processing**

#### **of personal data**

Personal data provided by applicants are processed for the purposes of managing this selection notice including the possible use of rankings and for the subsequent possible awarding of the check, as specifically indicated in the information contained in the form in Annex C).

The data will be processed by the National Research Council - Piazzale Aldo Moro n. 7 - 00185 Rome as Data Controller, in accordance with Regulation (EU) n. 2016/679 and Legislative Decree 196/2003. The point of contact at the Holder is the Director/Director of the structure that issued the selection notice whose contact details are: institutional email of the structure - physical address of the Institute.

The provision of data is mandatory for the purpose of assessing the participation requirements, under penalty of exclusion from the selection.

The interested party enjoys the rights set forth in Article 15 et seq. of Regulation (EU) 2016/679, as specified in the information contained in the form (Annex C), referred to in Article 4 of this selection notice, which can be exercised in the ways indicated in the form.

#### **Art. 11**

#### **Publicity**

The selection notice shall be made public, by the Director of the Institute, by posting on the notice board of the Institute concerned, as well as by publication on the website of the NRC [www.urp.cnr.it](http://www.urp.cnr.it) and the

MIUR, which will provide for subsequent publication on the European Union website, in addition to particular forms of publicity expressly requested by program funders.

**Art. 12 Final  
Provisions**

For matters not explicitly provided for in this notice, the provisions of the Disciplinary Regulations currently in force regarding the awarding of grants for the performance of research activities shall apply, as well as, to the extent compatible, the regulations in force regarding public competitions.

- 6) Citizens of States not belonging to the Union, regularly residing in Italy, may use the substitute declarations referred to in Articles 46 and 47 of Presidential Decree 445 of December 28, 2000 limited to states, personal qualities and facts certifiable or attestable by Italian public subjects, without prejudice to the special provisions contained in the laws and regulations concerning the discipline of immigration and the condition of foreigners. Outside the aforementioned cases, citizens of non-EU states authorized to reside in the territory of the State may use substitute declarations in cases where the production of the same takes place in application of international conventions between Italy and the declarant's country of origin.

INFORMATION ON THE PROCESSING OF PERSONAL DATA MADE  
PURSUANT TO ARTICLE 13 OF EU REGULATION 2016/679

Pursuant to Article 13 of the aforementioned Regulations, we inform you that:

- 1) Your personal data will be processed for the following purposes: conduct of the selection procedure, including the possible use of rankings and for the subsequent possible conferment of the grant, for the performance of tasks of public interest or otherwise related to the exercise of public powers entrusted to the National Research Council. The data will be processed for the time necessary for the selection process and, in the case of grant award, for the entire period of the relationship established with the grant holder and, after termination, for the possible fulfillment of legal obligations in accordance with current regulations on the preservation of administrative records.
- 2) The data will be processed in digital and analog form, with methods of organization and processing related to the above purposes and, in any case, in such a way as to ensure their security and confidentiality.
- 3) The provision of data is mandatory for the completion of the selection procedure; refusal to provide such data will result in the inability to participate in the procedure itself.
- 4) The Director/Director of the Structure that issued the selection notice, the person in charge of the procedure, the staff in charge of managing the different stages of the procedure, the members of the selection board and the secretary may become aware of the data in question, in order to achieve the purposes indicated above.
- 5) The Data Controller is: the Consiglio Nazionale delle Ricerche - Piazzale Aldo Moro n. 7 - 00185 Rome PEC: [protocollo-ammcen@pec.cnr.it](mailto:protocollo-ammcen@pec.cnr.it), whose contact point is indicated in Article 10 of the selection notice, under the heading "Processing of personal data."
- 6) The contact details of the Data Protection Officer are: E-mail: [rpd@cnr.it](mailto:rpd@cnr.it); PEC: [protocollo-ammcen@pec.cnr.it](mailto:protocollo-ammcen@pec.cnr.it) at the National Research Council - Piazzale Aldo Moro n. 7 - 00185 Rome.
- 7) The final merit list will be published in the manner specified in Article 7 of the selection notice, under the heading "Selection and ranking procedures."
- 8) The following information of the winning candidate will also be disseminated on the CNR's website in the "Transparent Administration" section pursuant to and for the purposes of Article 15, paragraph 1, of Legislative Decree No. 33/2013: a) the details of the deed of grant; b) the curriculum vitae submitted by the candidate; c) the compensation, however denominated, related to the research grant.
- 9) At the end of the selection procedure, within the limits relevant to the above-mentioned purposes, the candidate's data may be disclosed to third parties, in accordance with the obligations required by laws, regulations, national and EU legislation, as well as provisions issued by authorities legitimized to do so by supervisory and control bodies, pursuant to Article 6 of EU Reg. 2016/679.
- 10) As a data subject, the candidate has the right to ask the Data Controller for access to the personal data concerning him or her as well as to exercise the rights set forth in Articles 15 et seq. of Regulation (EU) 2016/679, including requesting the rectification or erasure of the same or the restriction of processing or to object to processing by submitting an appropriate application to the contact person referred to in point 5 above.
- 11) As a data subject, if the prerequisites are met, the candidate may lodge a complaint with the Data Protection Authority as the supervisory authority in accordance with the prescribed procedures.
